Kiosk - Varketili Mall

We are launching a modern phone case kiosk called Caseway, located in Varketili Mall. Our concept is designed specifically for Gen Z customers, focusing on individuality, creativity, and self-expression.

Caseway is not just a place to buy phone cases - it's an interactive and trendy space where young people can find products that match their personality and style. We offer a wide range of designs, from minimalist aesthetics to bold, colorful, and viral-inspired visuals.

We also collaborate with influencers by creating custom design concepts tailored to their personal brand and audience. These photos are just a few examples of the creative work we can deliver through such partnerships. Our goal is to build visually engaging and authentic collaborations that not only highlight the influencer's identity, but also create meaningful value for both sides. From unique product visuals to campaign-focused creative direction, we aim to turn ideas into standout designs.

What makes Caseway unique is the ability to fully customize your own phone case by creating a design that reflects your personal style. For those who prefer ready-made options, we also provide a wide selection of exclusive in-house designs, created to match current trends and everyday needs.
