BRAND APPLICATIONS

INTRO- DUCTION

MISION

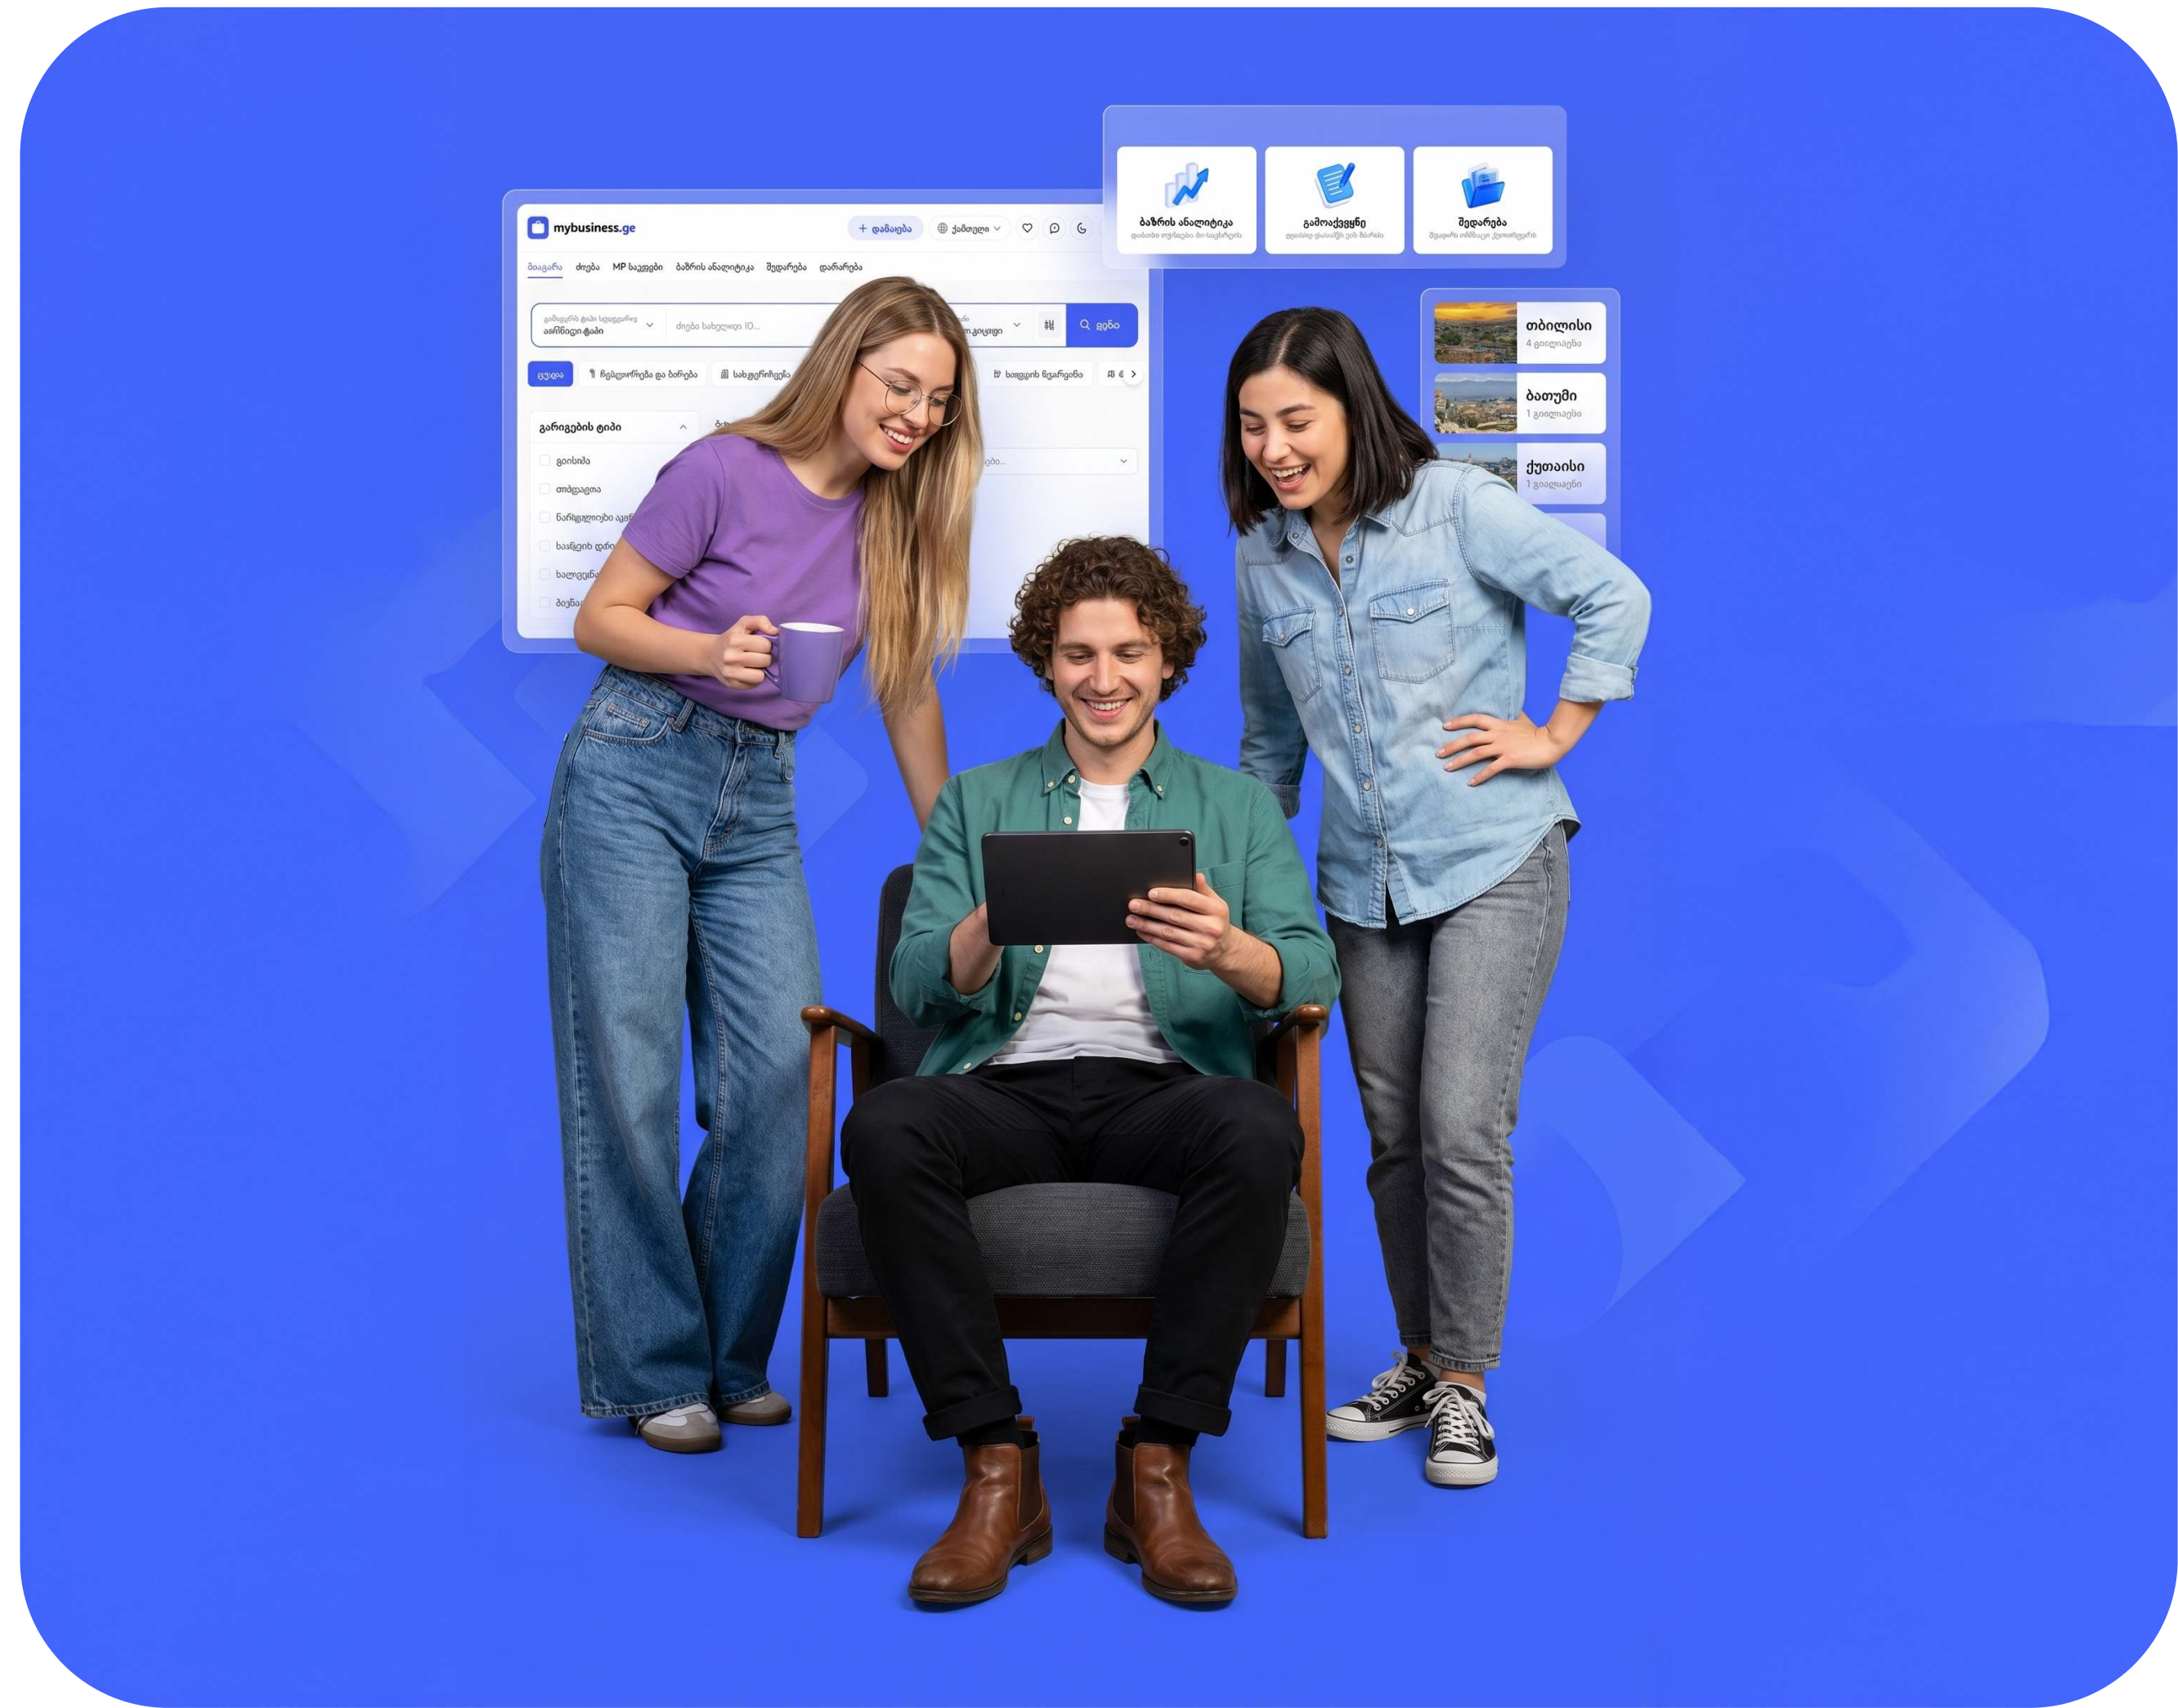

Our mission is to revolutionize the business landscape in Georgia by creating a high-performance digital marketplace.

We are dedicated to breaking down the barriers of business trade, providing entrepreneurs with the expert tools, transparency, and strategic connections they need to transition, scale, or exit their ventures with absolute confidence.

VISION

To be the definitive engine of entrepreneurial growth in the region.

We envision a future where mybusiness.ge is the primary catalyst for economic mobility - a seamless ecosystem where every business, from local startups to established enterprises, can find its ideal partner, investor, or successor through innovation and trust.

TAGLINE

Our tagline is more than just a phrase;
it is a brand promise.

In a world of complex bureaucracy
and confusing procedures,
we act as a bridge.

DESIGN GUIDE

LOGO: MAIN VERSION

Our primary logo is the most essential element of our visual identity, designed to reflect the professional and innovative spirit of the platform.

Protecting the integrity and clear application of this asset is vital to ensuring our brand remains recognizable and distinct across all marketplaces.

Minimum size 55 px / 20 mm

LOGO VARIATIONS

Primary logo

Logotype

Isotype

EXCLUSION ZONE / CLEAR SPACE

A minimum amount of clear space must be maintained around the logo to preserve its legibility and ensure our brand is properly understood.

This space must have the same dimensions as the size of the isotype (icon).

These same guidelines apply to the logotype and isotype variants.

COLOR VERSIONS

The logo must always be placed on backgrounds from our official brand color palette.

In the case of third-party communications, use a solid color, photography, or video that ensures the full legibility and clear understanding of our logo.

LOGO DON'TS

It is strictly prohibited to manipulate or alter the mybusiness logo. Exceptions may be made only for very specific circumstances; however, such executions must be reviewed and officially approved by the Brand Team.

Do not change the logo color

Do not change the typography

Do not use shadows or other effects

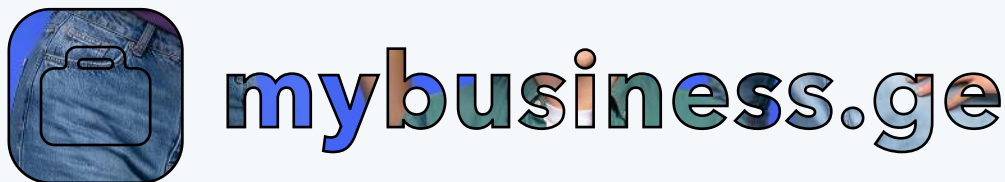

Do not rotate or tilt the logo

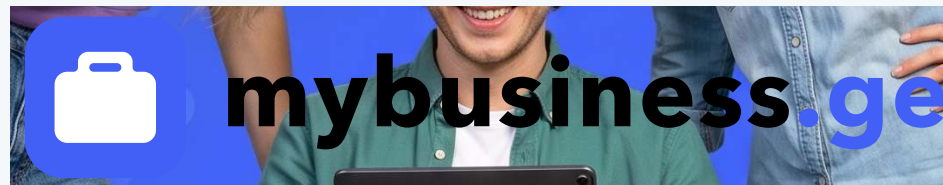

Do not use gradients on the logo

Do not use textures or images inside the logo

Do not place the logo on low-contrast backgrounds

Do not stretch or distort the logo

PARTNERSHIPS & CO-BRANDING

In co-branding scenarios, the mybusiness logo should be placed before the partner's logo.

This applies to:

- Joint Products or Services: For new offerings developed in collaboration.
- Shared Content: For content with co-authorship.
- Joint Hosting: For events hosted together with a partner.
- Sponsorships: For technology, product, or service sponsorships between mybusiness and a partner.
- Marketing Campaigns: For joint marketing campaigns or brand activations.

The height of the divider line should be equivalent to:

5x
